## WATERPROOFING BULLETIN

### Products for Maintenance, Restoration and New Construction

Beacon Sales Company carries waterproofing products from several leading manufacturers. We have the expertise to assist you with meeting your project specifications as cost-effectively as possible. If you are not a water proofing specialist, we can help you with the specs and applications needed to complete the water-proofing phase of your contract. We can supply you from **14 warehouse locations in the six New England states** and **deliver to your job site**. Beacon Sales Company has been supplying contractors with building envelope products since 1928. Beacon Sales Company is a division of Beacon Roofing Supply, Inc., a leading distributor of roofing materials and related products in North America.

### VALUE-ADDED SERVICES

- We assist with reviewing **design specifications**, and provide assistance with **building code and ABBA compliance**.
- We can help you **value engineer** your next project by recommending and supplying the best products and systems at the lowest prices.
- On **masonry restoration projects**, we can assist you with the evaluation of onsite conditions and the development of project specifications.
- Our Coastal Metal Service Division **custom-fabricates** necessary **metal details** such as thru-wall flashing components, window flashings and coping caps.
- We provide **in-house training and in-shop training** for waterproofing.
- We can advise on **green roof design**.
