Johns Manville Fuel Surcharge Increase

Due to continued escalation of diesel fuel costs, Johns Manville is announcing the following increase:

Effective March 1, 2011 Johns Manville will increase the fuel surcharge for all orders from \$150.00 to \$175.00 per truck. This increase affects all trucks shipping from JM manufacturing and warehouse facilities.

We are committed to serving your commercial roofing transportation requirements and finding efficiencies wherever and whenever possible. Thank you for your support and commitment during these times of inflationary cost pressures.

Kelly Kambs
Director of Commercial Operations
