Dear Valued Customer:

We continue to experience significant escalation of raw material prices. Therefore, prices for Grace commercial waterproofing products will increase 7.0% effective May 2, 2011.

All orders placed by close of business (6pm EST) Friday, April 22, 2011 for first available shipment will maintain the current pricing levels. All orders that are placed with a customer requested ship date for May or beyond will be priced based on the May 2, 2011 price list as described above.

A new price list will be provided to you within the next few weeks. Please contact your Grace Representative for more details.

We sincerely appreciate your support and will continue to strive to be your valued supplier.

Sincerely,

Anthony P. Vitale
