Subject: TRUMBULL ASPHALT PRICE INCREASE EFFECTIVE: March 7, 2011

Dear Valued Customer:

Due to continued upward pressure with rising raw material cost and fuel, BURA prices will be increasing on average 5 - 10% effective with shipments Monday - March 7th, regardless of order entry date.

Updated, detailed regional pricing info will be further communicated and available beginning next Wednesday - March 2nd.

Thank you for choosing Trumbull Asphalt as your supplier of choice. We value your continued support. If you have questions, please contact your local area sales manager or inside sales contact.

Sincerely,

A handwritten signature in black ink, appearing to read "Ted Firmin".
