Johns Manville Roofing Price Increase

As a result of continued cost increases, Johns Manville is revising the previously announced price increase scheduled for **June 1, 2011**.

- TPO Membrane and hard Accessory Products: 5% (*excluding adhesives and sealants*)
- PVC Membranes and hard Accessory Products: 5%
- JM PVC Adhesives and Sealants:
 - JM PVC Membrane Adhesive (Low VOC Products) 10%
 - JM PVC Membrane Adhesive (Water Based) 5%
 - JM PVC other Sealants, Adhesives and Cleaners (5%)

As always, we will do our best to accommodate all shipments prior to the increase date; however the new price will be applied to all shipments on or after the effective increase date. All existing quotes will be honored, but extensions will not be granted.

Thanks for your continued support.
