Double 9" Rough-Split Shakes

Natural Clay

Molded from real cedar shingles, Cedar Impressions offers the most natural looking cedar shingle siding available without the expense and heavy maintenance of wood.

Cedar Impressions®

Siding: Triple 5" Perfection Shingles in buckskin.

**THE NATURAL LOOK
OF STAINED
CEDAR SHINGLES**

Created from the texture and random sizes of real cedar shingles, Cedar Impressions presents the timeless appeal of wood.

Though Cedar Impressions looks like real wood shingles, it won't split, cup, twist or streak like real wood can.

This means you can achieve the custom crafted look of individually installed shingles and have time to sit back and enjoy your home.

Authentic Texture

Cedar Impressions authentic texture comes directly from the source – real cedar shingles.

Siding: Triple 5" Perfection Shingles in natural clay.

Trim: Decorative Trim accents include Crown Molding, 3-1/2" Lineals and 5" Perfection Mitered Cornerposts.

Craftsmanship with Vinyl Carpentry™

To enhance the look of wood on your home, Cedar Impressions is complemented by a complete line of wood-like decorative trim. From cornerposts and window casings to frieze boards and gable trim, CertainTeed has replicated the look of wood so that your home will have the natural, hand-crafted appearance that we call Vinyl Carpentry™. And, without the worry or expense of frequent maintenance.

Perfection Shingles and Cornice Molding in ivy green with colonial white 3-1/2" Lineals.

**ENGINEERED
FOR PERFORMANCE**

Everything about Cedar Impressions says performance. Designed and tested to withstand coastal storms, Cedar Impressions is ready for nature's toughest tests.

Ideal for both new construction and remodeling, builders and homeowners will appreciate Cedar Impressions' better-than-wood performance.

Unsurpassed Engineering

Injection molded with durable polypropylene, these panels are thick and extra rigid. The innovative features combine for strong, consistent on-the-wall performance designed to withstand hurricane force winds.

Cedar Impressions... Beauty Without the Work

Better than wood, Cedar Impressions keeps its natural look for many years.

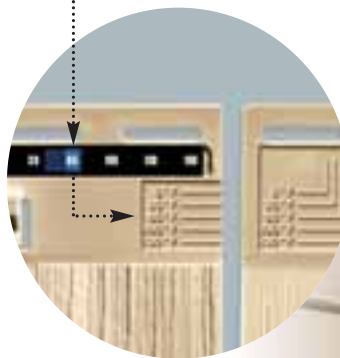

Never requires painting or costly upkeep.

Won't rot, crack or split like wood can.

The patent-pending Panel-Thermometer™ and temperature lines are designed to ensure precise installation.

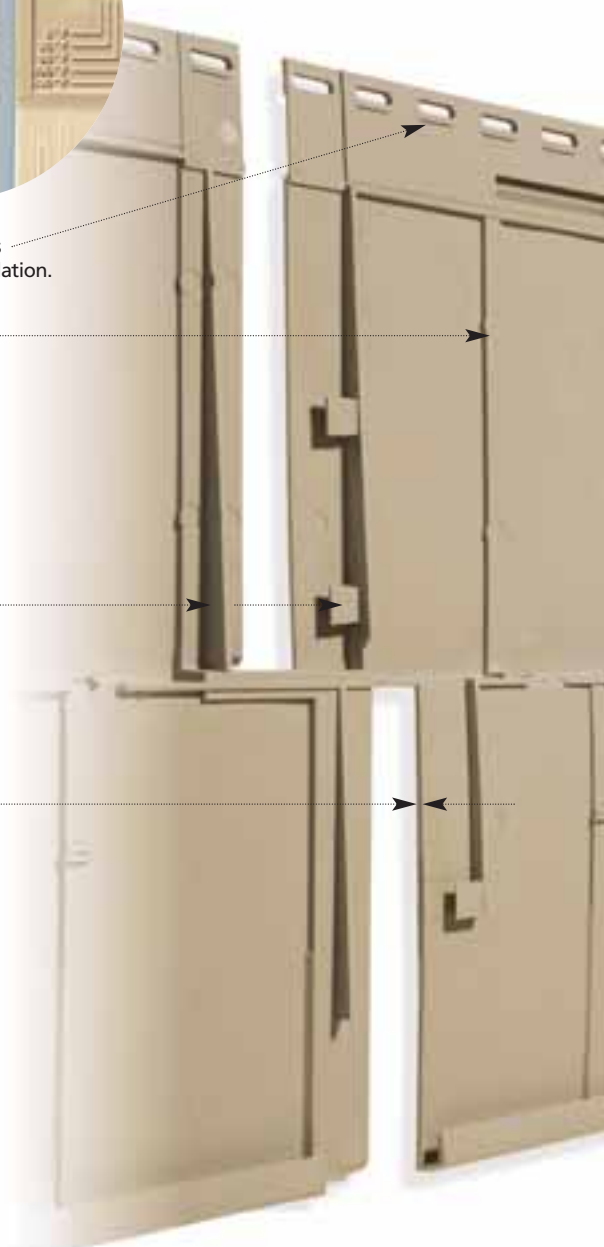

Reinforced nail slots ensure secure installation.

Ribs on the back of the panels add structural stability for extra protection against warping, cupping and distortion.

Molded Perimeter Lock™ creates a seamless look and holds panels securely together.
